

## Diagram Documentation

### Film

Table documentation comment 2

Field	Description	Type	Default	Other
filmID		int		PK
title		string(200)		
author		string(200)		
releaseDate		datetime		
synopsis		text		
price		float		
type		string(200)		
image		string(link)		
citizenship		string(200)		

### Book

Table documentation comment 2

Field	Description	Type	Default	Other
bookID		int		PK
title		string(200)		
author		string(200)		
releaseDate		datetime		
cover		text		
price		float		
type		string(200)		
image		string(link)		
citizenship		string(200)		

### Critic

Table documentation comment 2

Field	Description	Type	Default	Other
criticID		int		PK
pseudo		string(200)		

### critique

Table documentation comment 2

Field	Description	Type	Default	Other
critiqueID		int		PK
criticID		int		FK
critique		text		
filmID		int		FK
bookID		int		FK

## Note

Table documentation comment 2

Field	Description	Type	Default	Other
noteID		int		PK
value		integer		
filmID		int		FK
bookID		int		FK
critiqueID		int		FK
criticID		int		FK
